## President's Comments

### Work Day Recap

Several projects were completed with the help of TRAC members. New flight tables were built, our new storage container was painted, and the old storage container was emptied and readied for demolition. Trash was hauled away a few days later. Thanks to all who helped out.

### Fun Fly Recap

Nine contestants participated in the Fun Fly competition and many more attended and cheered them on. Ed Brown, Pete Rosas, and Vince Cesario took home the certificates, with Dennis Wheeler taking the "Best Crash" prize when he stuck his X700 into the ground.

### Warbird Event planned for October.

The Warbird Event will be October 14. Vince Cesario will be Contest Director. Polish up those Military Aircraft and plan on flying and showing off your prize Warbird. More information will be forthcoming.

### Develop Good Flying Habits

It's always a good idea to get in the habit of using a spotter, communicate with other flyers already on the flight line, call out maiden flights, give way to dead stick flights, etc. etc.

### Updated Guest Policy

We will be discussing how best to update our guest policy, specifically how to track who's guest flying and how many times it will be allowed.

*Safe Flying,*  
Don Riek
