Paving Addendum

General Notes:

- Florida Parking, Inc dba Yellow Dawg Striping will mobilize the asphalt paving crew on the project one (1) time. Yellow Dawg Striping shall have no obligation to perform in increments, quantities, or portions of the work that Yellow Dawg Striping plans to perform in a single operation; nor shall Yellow Dawg Striping have any obligation to perform work in a different sequence than planned by Yellow Dawg Striping. Any additional asphalt paving crew mobilizations shall require additional compensation of \$ 2,500.00 per mobilization.
- Pricing excludes any testing, as-builts, surveying, staking, utility location and adjustment or relocation, asphalt leveling, asphalt saw-cutting, asphalt milling, asphalt removal, maintenance of traffic, temporary/permanent striping, unless otherwise written in the proposal line item description.
- Yellow Dawg Striping cannot be held responsible for any damage caused to any concrete surfaces while performing our portion of the proposed work. Yellow Dawg Striping cannot be held responsible for any cleaning of any concrete surfaces while performing our portion of the proposed work.
- Pricing based on performing work during daytime operational hours and in accordance with Yellow Dawg Striping normal operational schedule.
- Any asphalt overruns due to irregular base conditions, improper curb height, etc. to be invoiced at an additional \$95.00 per ton of asphalt. Any asphalt leveling can be performed at a unit price of \$ 125.00 per ton of asphalt. Any asphalt patching can be performed at a unit price of \$ 300.00 per ton of asphalt. Pricing is additional unless otherwise notated in the proposal line item description.
- We have figured bump milling at the transitions, ramps and drainage structures as needed.
- Milling and use of a milling crew is not included in this proposal unless otherwise notated in the proposal line item description.
- A water source is to be provided by the owner.
- Due to paving on existing surfaces we cannot guarantee drainage or warrant any water ponding. Milling of the asphalt in many cases will not fully cure existing water ponding and may even create new areas of ponding. We will attempt to alleviate as reasonably as possible however cannot be guaranteed unless base conditions and additional drainage areas as considered.
- Yellow Dawg Striping cannot be responsible for the existing cracks revealing through the new pavement, tire tears and the breaking of asphalt at existing transitions and different elevations This also includes cracking of milled areas reflecting through residual asphalt or base.
